**Re:   *Sands Harbor v. Wells Fargo, EVMC, et al.*  
      Case No. 09 CV 3855**

Dear Judge Shields:

Enclosed please find Dogali Law Group, P.A.'s Motion for Award of Expenses Pursuant to Rule 45, along with its supportive Declaration and Exhibits.

I served the motion, declaration, and exhibits on counsel today. I am unable to directly file the motion because, in so far as Dogali Law Group is a non-party, I do not presently have e-filing privileges in the Eastern District.

Consistent with your Honor's previously-stated intention that the parties attempt to agree upon and propose a briefing schedule, I have communicated with counsel for Wells Fargo, and the parties believe, with the Court's indulgence, that Wells Fargo should be permitted to provide a response to the instant motion on or before July 31, 2017.

Thank you for your consideration.

Sincerely,

Andy Dogali
